#### Chaperoning Update

- EBPA chaperones will need to have four clearances. Please send completed forms to Mr. Kimmel—all forms can be downloaded from [www.ehsmu.org](http://www.ehsmu.org) website.
- A suggestion was made to include clearance forms with the new member packets.
- Showcase/Indoor guard staff that do not come in direct contact with students (i.e, candy gram sales), do not need all clearances.
- Administration gave approval for chaperones to ride on the bus without a staff member present.

#### Indoor Guard Floor

The floor mat for Indoor guard needed to be replaced a few days after our March Band Parent meeting. We originally decided at the March meeting to try to postpone the purchase until the next budget year, but it could not wait. Mr. Harker and Mrs. Straley negotiated a really good deal and the new mat was delivered within a week and they love it! The indoor guard is currently doing a fundraiser to help offset the cost of the floor. The deadline has been extended until Monday, April 26. There will be a pizza party as an incentive for all who participate in this fundraiser.

#### Uniform Gloves

Mrs. Straley would like to try to sell the leftover gloves on [guardroom.com](http://guardroom.com). We currently use 1 black (Left) and 1 white glove (Right) for the uniform (we buy a pair of each color—but only use 1 glove) and we would sell the unused white/black glove if possible. Cathy Putt thought that in years past we were able to buy a white/black glove pair. Sonia will check into this and see what is more cost efficient. Glove prices are increasing this year to \$3.10/pair. It was decided that we would round up and charge \$3.50/pair.

#### Showcase of Bands Update

The show is looking good! We currently have four bands signed up. Sign-up sheets for various committees will be at the Kickoff Night on May 24<sup>th</sup>.
