

## Uniform and Shoes

We will be measuring for uniforms during the July rehearsals on July 8<sup>th</sup> and 22<sup>nd</sup>. It is important to get your measurements taken in July so that they can be entered into the computer program that assigns the size of your uniform. Please let me know if you cannot be at either of these rehearsals and we will make other arrangements.

On Tuesday, August 3<sup>rd</sup> a representative from the shoe company will be at band camp to measure students for black marching shoes called Dinkles. Previous members, please check to see if you need new shoes and/or gloves prior to August 3<sup>rd</sup>. New members will need at least two sets of gloves. Please let us know how many pairs of gloves you need when you get measured in July.

**Shoes will cost the same as last year, \$28 and the gloves will be \$3.50 a pair** (one black and one white glove). Payment is due when ordering during band camp. **No cash. Checks made to EBPA (Ephrata Band Parent Association).** We will order extra gloves for the season and the Quarter Master will collect \$3.50 from the student if bought after band camp.

When you get your uniform, you will be given a letter with your uniform numbers on it. Take the uniform home and try it on and make sure the numbers are correct. At the bottom of the letter there will be a line for both you and your parent/guardian to sign as an agreement that you will be responsible for taking good care of your uniform. Please sign and return the form by the morning of the last day of band camp, Friday August 6<sup>th</sup>. **You will not receive your helmet until this paper is returned. Helmets will be needed for Preview Night on the evening of Friday, August 6<sup>th</sup>.**
