BE

Belong - When We Were Young

When we were young we felt a sense of belonging wherever we went. We ran, we twirled, we sang. We had no inhibitions and did whatever felt natural. We were free to just 'be'.

Between - Mad World and Land of Confusion

When we first realize that we are different. We realize we do not look or act like the status quo. Do we change who we are to fit in or do we stay true to ourselves and stand out?

Become - Toxic

The painful realization that we have lived our entire lives trying to be something we are not. We are locked into a way of living that is not authentic. We have become toxic.

Beyond

The 2024 Ephrata High School Marching Unit is proudly led by an amazing group of student-leaders including Aleksey Belogurov, Alyssa Vasyanovich, Amelia Ream, Anya Gilbert, Edwin Carter, Jeshuah Bautista, Micah Bautista, Joanna Roth, Laynie Watterson, Nathan Potts, Nicole Morrell, Rebecca Foard, and Ryan Woolard

The 2024 EHSMU is under the direction of Mr. Stephen Goss. Additional staff include: Olivia Brendle, Donald Carlson, Nathaniel Dick, Gavin Grove, Chris Hynum, Tony Kirchner, Kristie Ohlinger, Angie Sollenberger, and Jolyn Wolf

The Mountaineers sincerely appreciate the outstanding support of our program by our school's administration, faculty and surrounding community. It is the commitment to excellence in the arts that is consistently exhibited by the entire school, combined with the hand-crafted and textured fabric of the district's extended community, which enables each of our individual students and our collective program to be a success.
